*The Adam's Mark Airport is considering a Zone Café for meals (\$5 breakfasts and \$8 dinners). HOWEVER, at least 50 advance reservations for the Zone Café must be made. When making housing reservations with the Adam's Mark, be sure to inquire/make reservations for the Zone Café.

**There is a national gaming convention (GenCon) also in town over our Central Zone dates. GenCon has a history of 25,000+ attendees. The downtown hotels could not offer any blocks to us to offer to our attendees.

If you are interested in staying at a downtown property, you can access all hotels from the www.indianapolis.org website.
