**The Presidents' Day Invitational "A" Swim Meet  
February 15, 16, 17, 2008 (OS)**

**Facility:** *The Recreation Center Natatorium is an indoor eight-lane 50 meter pool with a bulkhead that separates the pool into two eight-lane 25 yard courses. All competition (except for some 1650 heats) will be in the deep end of the pool. Double lane lines are used and the pool is set with backstroke pennants. The pool has deep fast water sloping from 16 feet at the starting end to 7 feet at the bulkhead. Slanted starting blocks are 26 inches above the water. Relays for the 100 yards for 8 & under age group will require the second and fourth swimmers to dive into 7 feet of water from the bulkhead (14 inches above the water). Continuous warm-up will be available in the shallow-end 25 yard course during the meet except during the 1650 Freestyle. Use of the warm-up pool will be restricted to swimmers warming-up and warming down. Coaches are responsible for their swimmers conduct. Failure of coaches to control their swimmer's actions may result in permanent expulsion from the warm-up pool.*

**Timing:** Electronic timing system with backup buttons and/or watches, horn start and touchpads at the start end of the pool.

**Entry Limitations:** Age of a swimmer is determined by their age on the first day of the meet. Entry limit is 3 individual events per day for "prelim/final" swimmers and 4 individual events per day for "timed finals" swimmers. There is no limit on relay entries. If a "timed finals" swimmer chooses to swim in a prelim/final event on a certain day, the swimmer is limited to 3 events for that day. If time trials are swum, the maximum number of events for a day is five. All seed times must be in yards.

**Minnesota host teams must use Hy-Tek software to run swim meets. Those teams using disk entry must use Hy-Tek software (Team Manager) to enter this meet. There will be no disks sent out to clubs. Please include a PRINTED and PROOFED copy of your COMMLINK REPORT, along with your disk as well as the fees calculation form. Minnesota clubs entering this meet must use Hy-Tek Disk entry unless your club is on record with MSI that you cannot comply with the disk entry requirement. Clubs outside of the state of Minnesota may use Hy-Tek to enter this meet or may use the entry form included with this entry. There will be no re-seeds of pre-seeded events due to errors originated by the entering club. \*Replies to email or fax inquiries will be accepted.**

*(We do not accept fax or email entries because it is impossible to ensure they have been sent and accepted resulting in numerous problems in recent years). The host club will adhere to MSI's Home Club rule when entering any swimmers who have not met the qualifying standards.*

**Entry Due Date:** 12:00pm, Friday, February 8th, 2008. After the deadline, EMAIL entries will be accepted ONLY for new times achieved between the entry deadline and 12:00 pm on the Monday before the meet. ***Meet Format:***

**12 & Under Timed finals events:** 12 and under swimmers will have timed finals on all three days. Afternoon timed finals will not start before 01:30 PM. Warm-ups will begin in the shallow end of the pool in the event the morning session runs late. At least 10 minutes of warm-up will be provided in the competition pool.

**13 & Over Prelims/Finals:** With the exception of the events on Friday, the 400IM(Sat), and the 1650(Sun), all other events will be swum prelim/finals. Prelims are held in the morning sessions with consolation and championship final heats in the evening sessions of Saturday and Sunday (top 16).

***Relays:*** All names, ages and Team manager IDs of swimmers in the order they will swim need to be written on each relay card. All cards must be filled out and returned to the scorer's table 15 minutes prior to the start of each session. Team manager ID numbers will be included in the coach's packet. These must be included with the swimmer's name on the relay card or the relay card will not be accepted. The fastest heat of the morning relays will be seeded directly into the finals each day (the fastest heat will not swim in the morning) unless the heats must be adjusted to seed a minimum of three teams in an earlier heat. The lead off swimmer's time in all relays will be recorded by the electronic timer and published in the meet results. For official lead-off relay splits, relays must declare at the scorer's table or as instructed at the meet. **Sunday Relays:** By unanimous agreement (vote of the coaches), teams may select to swim all Sunday relays in the morning in the Preliminary session to allow swimmers to start home earlier. A positive check-in by Saturday night at 6:00 PM is required for Sunday's 13 & over relays.

***Distance Events:***

**500 Freestyle:** The 500 yard Freestyle is a timed final event. It will be deck seeded upon completion of the positive check-in. Positive check-in is required by 4:00 PM on Friday at the scorer's table. Heats will be swum in age group format, slowest to fastest. All swimmers are required to provide a lap counter.

**400 IM:** The 400 Individual Medley is a timed final event. It will be deck seeded upon completion of the positive check-in. All but the fastest heats (one men's, one women's) will be swum as the last event in the morning preliminaries on Saturday. The fastest heat will swim only once as the last event of the Saturday evening finals. Morning heats will be swum slowest to fastest. The event will be limited to 6 heats each in men and women's. Positive check-in at the scorer's table is required no later than 1 ½ hour prior to the start of the first heat of the women. Announcements will be made as to when check-in will be closed.

**1650 Freestyle:** The 1650 Freestyle is a timed final event. Positive check-in is required at the scorer's table by 9:00 AM Sunday morning. Age groups will be combined. Heats will be swum fastest to slowest alternating a women's heat and then a men's heat. Slower heats may be swum in the shallow end of the pool and if necessary, two to a lane. All 1650 swimmers are REQUIRED to provide a lap counter. Those 1650s swum in the shallow end will start off of the bulkhead without a starting block. Meet director reserves the right to limit the number of 1650 heats swum.

***Fees:*** \$2.50 per entrant listed on the entry sheet, \$5.00 per individual splash, \$20.00 per relay entered. Summary cost per calculation sheet. Swimmers listed as relay alternates only do not have a fee. Checks must accompany entries and made payable to: Rochester Swim Club Orcas

Swimmers must be registered in the swim meet in order to have the opportunity to participate in Open Lane Swims. In the event of a missed heat, swimmers may only swim in their own age group and only in the same event and distance that they were originally entered. Swimmers may swim events for which they have no times. Swimmers may not exceed the event limit including Open Lane Swims. Swimmers may scratch an event in order to swim on Open Lane Swim to stay within the entry limit. No refunds will be given for scratched events. Sign up for open lane swims will **CLOSE** 2 events prior to that event being swum to allow for appropriate seeding and notification of officials. All open lane swims must be paid for, approved by the deck official, and approved by the open lane coordinator prior to the event being swum.
