- **Teams Attending**
  - Team Foxjet (FOXJ)
  - Edina Swim Club (EDI)
  - Metro Marlins Swim Team (MMST)
  - Hopkins Swim Club (HOP)
- **Pool Location** Oak Point Intermediate School  
13400 Staring Lake Parkway  
Eden Prairie, MN 55347
- **Facility** 6 lane, 25-yard indoor pool. Wave-quelling lanes, backstroke pennants; electronic timing with horn start, touchpads, back-up buttons and scoreboard display; additional back-up of two stopwatches per lane. Depth at starting end 9'0"; starting blocks 20" above water. Backstroke flags 15' from ends of pool. Raised gallery area for spectators.
- **Deck Access** Due to liability issues with both USA Swimming and Oak Point Intermediate School, no spectators will be permitted access to the pool deck. Deck access will only be through the lockerrooms. Only athletes, coaches, officials and meet staff will be permitted entrance to the deck. Parents are welcome to accompany and supervise their children in the lockerroom, but will not be permitted access to the deck. Meet staff will be posted at all locations, and will directly control access. Should a non-authorized person reach the pool deck, the meet will be halted until that person has left the deck. This rule is required by both the facility and USA Swimming.
- **Limited Seating** Team Foxjet and Oak Point Intermediate School understand and support the importance of spectator/parent viewing of the swimming meet. With the limited seating provided in the gallery area above the pool, spectators are encouraged to rotate in/out of the gallery, based upon their child(ren)'s participation, so that everyone may see their child(ren) swim. Both doors will be open to the gallery area to provide easy access in/out for viewing the meet.
- **USA Swimming Membership** Due to liability issues with both USA Swimming and Oak Point Intermediate School, all athletes must be current 2008 Athlete Members of USA Swimming, and all coaches must be current 2008 Coach Members of USA Swimming in order to be on the pool deck and participate in the meet. Minnesota Swimming, Inc. will send a meet recon report to the meet host prior to the meet, certifying (or not certifying) the membership status of all athletes and coaches. Any athlete or coach who is not current will not be permitted access to the pool deck. On-deck registrations will not be accepted at this meet. All athletes and coaches must be registered in advance. There will be no affidavits of membership, calls to MSI, etc. The meet recon report will strictly serve as the meet host's sole guidance.

- **Oversize Meet** MSI/USA Swimming four-hour rule will be followed, as well as MSI legislative procedure.
- **Warm-Up** Current MSI and USA Swimming rules govern all aspects of warm-up. Swimmers and coaches are expected to be acquainted with all rules and obligations. Failure to follow such rules will result in the disqualification of swimmer(s) or coach(es) from the next individual event or expulsion from the meet. No horseplay will be permitted. The "Slip-In Entry" Rule will be strictly enforced to help educate athletes. The play pool and waterslide at the east end of the complex is off-limits throughout the meet.
