---

The following information was received from the University Aquatics Center, followed by an update at the end of this memo for 7/25:

~~At this point it looks like the skylight project should be done by Wednesday.~~ ~~This means~~ We will be able to run all the fans and air quality should be restored. Because of this we will not be setting up pop up tents on the Cooke Hall lawn.

The women's lobby restroom is closed and there will be eight (8) portable biffs delivered Wednesday night. They will be set up outside the north entrance and will be cleaned each night after the meet.

Doors to the University Aquatic Center will be open for warm-up at 8:30 a.m. on Thursday and 7:30 a.m. Friday, Saturday, and Sunday.

~~All lanes of the diving well will be available *except* for the following times when only 4 lanes will be available:~~

~~Thursday 7/26: 3:00pm-4:00pm~~
~~Friday 7/27: 7:30am-8:15am & 3:00pm-4:00pm~~
~~Saturday 7/28: 7:30am-8:15am~~
