

# MSI RECOGNITION JACKET & PATCH ORDER FORM

## National Age Group Top-16 Ranked & National Championship Qualifiers

Minnesota Swimmers achieving one of these recognitions for the first time are eligible to receive a jacket for a minimal charge. Swimmers who have already received a jacket may order another patch in each subsequent year that they qualify, which they may place on their jacket. For Top-16 jackets, swimmers must be ranked T-16 in the nation as published from the final USA Swimming list published in *Swimming World*. For "National Qualifiers", athletes must have achieved a senior national qualifying time and must have attended the respective meet. Athletes may order a replacement jacket at full cost only if their name is on the MSI list for having previously received a jacket.
