

Part-Time Assistant Coach Wanted

Hudson Area Swim Association is a not-for-profit USA-Swimming Club with approximately 80 members split into 6 developmentally based groups, 1 full time coach and two part-time assistant coaches. We are located on the St. Croix River in Hudson, WI, but swim in the Minnesota LSC due to proximity. We are currently seeking an assistant coach to take over the vacancy of our novice coach.

Responsibilities will be flexible and dynamic, and we will enthusiastically help the right person develop their skill and knowledge of the sport. The successful candidate will primarily be working with our youngest two groups (6 to 10 year olds), but have the desire and ability to take on one of our other groups when needed. This is a great position for someone looking to get into coaching competitive swimming, or someone with competitive swimming experience looking for an extremely fun way to earn some extra dollars. The average two week cycle would include a maximum of 20 hours, including 10 practice days at 1.5 hours each, and 1 four hour (approximate) meet session on Friday evening, Saturday morning or Sunday morning. Scheduling is flexible, hourly wages also flexible based on experience and commitment.

Please contact coach Dominic Petri either by phone or email. Check us out at <http://www.hudsonswimteam.org/>
