

# Report to the House of Delegates

From

David Goble, Administrative Vice Chair

Minnesota Swimming, Inc.

Thank you for the opportunity to spend time with you and your children. It is an honor to be able to represent Minnesota Swimming, Inc. and the fine group of people that make up this Local Swim Committee.

This last year I attended many meeting for Minnesota Swimming and for the most part we as a group (the Board of Directors) made some positive improvements for the program. Our goal is always to do the right thing for the Swimmers, if we are prudent on how we spend your money and make sure swimmers have opportunities to compete in good venues we are doing our job.

My short fall has been the Policy Manuel, there are a few things on the website but not what I had hope to have completed at this time. It will be a work in progress for months to come. I promise I will get this former “Red Book” together. It will never be done because it keeps changing, it will get current.

Paul Windrath has done a great job with the Website. Response time has been wonderful, the layout has improved and Paul is working to include information about University, College and High School swimming.
