

Minnesota Swimming, Inc.
Board of Review

2007-2008 Report to House of Delegates

During this year, the MSI Board of Review has not been called upon to decide any issues. No petitions were received and no hearings held.

USA Swimming sponsored a Board of Review Workshop in 2007 which was not attended by any Member of the MSI Board of Review. I did not attend as I had attended the Workshop sponsored by USA Swimming in 2006. I would recommend that MSI always endeavor to insure that the Board of Review has Members that have attended any USA Swimming Workshops or have attended the Board of Review Presentations at the USA Swimming Convention.

Respectfully submitted,
John Witzel
Chair, Minnesota Swimming Board of Review
