Times/Age Group Recognition Coordinator Report to the House of Delegates

- 1) 61 meets have been loaded for LC 2007-SC 2007/2008 (8/16/2997 to 3/31/2008.)
The goal is to load the meet within 48 hours of receiving the results from the host club.
- 2) Please make sure that your athletes are registered as soon as possible. Deck registrations are allowed, but they should be used only in unusual circumstances. Deck registrations should not be the normal method of registration.
If clubs would register new swimmers as soon as they start practicing, there would not be registration issues when the swimmers decide to compete.
- 3) Please follow the naming convention that SWIMS uses. It is
yyyy MN <Club code> <Meet Name>
where yyyy is the 4 digit year and <Club code> is the 3 or 4 character club code
The meet name is under Set-up in Meet Manager. Here is an example :
