This form must be submitted a minimum of 8 days prior to the Board of Directors Meeting to be acted upon at that meeting. (Copies of all proposed legislation will be sent to all Board Members and clubs along with the agenda.)

**Date Submitted:** \_\_2/10/04\_\_ **Date of Board Meeting to be discussed:** \_\_2/17/04\_\_

**Name of Legislation:** \_\_\_\_\_Aquamania splash and janitorial fee\_\_\_\_\_

### **Description of Issue:**

The Edina Swim club has hosted the officials training meet at the University of Minnesota since 2002. We enjoy hosting this meet as a service to the swimming community.

However, as you know, hosting meets at the University is very expensive due to high pool rental fees, required technical assistance, and costly janitorial services. Also clubs hosting meets at the U are not allowed to sell concessions, which typically do provide revenue at meets. In addition, the officials training meet is expensive for our club because we have between 75 – 100 officials that require hospitality each day.

In 2002 the meet was zoned an “AB” meet and it was a successful meet for swimmers and was financially attractive for the Edina Swim Club as well. However, in 2003 the meet was zoned an “A” only meet and we did not have adequate splashes to cover the expenses and make the meet economically attractive for our club.

The 2003 meet is scheduled for June 11-12-13, 2004 at the University of Minnesota. It is again an “A” only meet and we are concerned that it will require hundreds of volunteer hours by our club families without a financial reward to our membership.

### **Solution/Rationale and Proposal/Legislation Requested:**

We would like to propose charging a higher splash fee and a janitorial fee per swimmer to help make the meet economically attractive for our club to host.

**Effective Date:** \_\_\_\_\_Aquamania June 11-12-13, 2004\_\_\_\_\_

### **Method of Implementation:**

The new fee structure would be outlined in the meet information included in the sanction request.
